

Electronic art requirements
use this address:

Todd@tmdesigncorp.com

Vector art as ai version 9 or lower, eps or cdr
is the preferred format for screen printing or embroidery.

We do not accept most mac files, and or other
proprietary files, including Quark.

Most other file formats can be used but have a higher
likelihood of generating art fees.

File Compression is not accepted for Security reasons
this includes binhex,zip,sit, etc.

**VERY IMPORTANT - Convert all type to curves, paths
or outlines before sending**
